Postdoctoral research in Japan?

Are you interested in taking your research to Japan and working with leading groups in Japanese universities and other institutions?

The Japan Society for the Promotion of Science (JSPS) is offering Postdoctoral Fellowships for Overseas Researchers to citizens and permanent residents of Switzerland.

All fields of the humanities, social sciences and natural sciences are included under the programme.

Fellowships are 12-24 months long and must start between 1 September and 30 November 2018.

Included in the fellowship awards:

- Round-trip air ticket
- Settling-in allowance
- Monthly maintenance allowance
- Overseas insurance coverage

Opening announcement is available in late 2017 in the SNSF News room and applications should be submitted to the SNSF by 15 March 2018. Check http://www.jsps.go.jp/j-fellow/fellow/suisenkn.html for application details and templates.
